LEXINGTON COMMUNITY

Lexington, KY

"Did not our hearts burn within us, while he talked with us by the way...?"

April 2010

Welcome to the Family!

Welcome to the Lexington Emmaus Community former pilgrims of Walks #107 & 108. We are so glad that you are now part of the Emmaus family of faith. We look forward to sharing meals (yes more eating), service and worship with you. We hope that you will be active in the life of the Community by attending Gatherings, helping with Walks and getting involved in a Reunion Group.

Reunion groups are the backbone of our Community; through them you will keep your Walk alive and the fire of the Spirit burning. They will help keep you accountable as you embark on your 4th days. There are many groups that are accepting new members; these are located on the Reunion group link on the Lexington Emmaus Community webpage (<http://www.lexingtonemmaus.org/>). On the page there is contact information for Ken and Martha Hahn, they will be able to make the initial contact for you with the group. If you don't see any groups that meet at a convenient time and place for you, maybe your table can establish a new group. Ken & Martha can help you start off on the right foot.

If you've been around the Community for a while and you were in a Reunion group but it didn't meet your needs or your schedule changed, now is a good time to get back into a group. Contact Ken & Martha for help finding a new group.

Our May Gathering will be held at Westside Community UMC in Hustonville. It's a scenic 50 minute drive from the southside of Lexington. Why not get together with your group and carpool down US127 to the church? It will be a fun way to go green!

Ministry Fair at April Gathering

The Board members of the Community will be located at tables in the Foundry (dining area of our Gathering) at Centenary UMC for a ministry fair at the April Gathering. Come out a little early so you can see what kinds of things they do to support the Community, the Walks, and the

Gatherings and how you may be able to help. It's always good to explore new ways of doing things and new ideas to help things run smoother. You just might find that you have a passion for a particular area of the Emmaus ministry!!

LEXINGTON EMMAUS MEN'S WALK #107

I learned something working the Spring 2010 Lexington Walk to Emmaus Men's Walk #107. Although I thought I have been serving the Lord well, I found during the Walk my relationship had drifted away from Jesus little by little. The incremental daily drift was very small, so small as to be unnoticed. However, over six years quite a gap was evident. Works alone don't build relationships. I had become satisfied with my own good works.

My drift meter has now been recalibrated. I will be taking time to sit down with the Lord and ask Him what He truly wants.

The conversation was lively at the tables. I was not the only one who had a meeting with the living God. The testimonies were evidence God had moved in our hearts.

Then He said to His disciples, "The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest."

LEXINGTON EMMAUS WOMEN'S WALK #108

When was the last time you paid \$150.00 to work like a servant for 3 days? If you were one of the members of Women's Walk #108 Team it was just a few weeks ago.

It was obvious God was in charge from the beginning of the walk. By the time the walk was underway Satan was stirring up trouble. The Prayer Team hit their knees to surround the walk with a hedge of protection and healing for those affected. By Friday afternoon prayers began to be answered and lives were being changed.

If you attended closing you are aware of the testimonies of the Pilgrims. The spirit of charity was evident.

Consider sponsoring. Remember to pray first and see what name the Holy Spirit lays on your heart. Then ask that individual to attend the walk. Answer any questions they may have; there are no secrets in Emmaus. Once they are ready, complete the paperwork and send in the forms. Be prepared to pray constantly for that person and follow through after the walk is over to keep them plugged in to Christ's people.

2009 Financial Summary

Each year the Treasurer reports to the Community a summary of the finances for the previous year. Below are the results from 2009.

Expenses and income frequently cross fiscal year boundaries. The "other" expense category in the table below includes some expenses from 2008, which were not paid until 2009. This category also includes miscellaneous income and expenditures, which are not covered in the other categories. To give the Community a true idea of the financial status for each set of Walks/Flights for 2009, this detail follows the 2009 Income/Expense Summary. This includes income and expenses for each Walk no matter when they hit the books.

Income for the walks and flight in 2009 was about \$546 more than expenditures. In 2008, expenditures were almost \$3,250 more than income for comparison. Raising walk fees and Chrysalis fees in 2009 resulted in the Community essentially breaking even on the walks and flight. That is the goal of the Board. We continually monitor expenses of the Walks and Flights and try to keep them as low as possible. Sending the Newsletter by E-mail cut expenses from about \$4600 in 2008 to \$600 in 2009. Administration expenses for the Community averaged approximately \$400 per month during 2009. The primary avenue for meeting these costs is the offerings at Gatherings and Candlelights.

The Funds category listed below includes the Growing the Kingdom fund, also referred to as the Matching Fund. From the Growing the Kingdom fund, a laptop computer was purchased in 2009 by the Community to keep records and to use during walks and flights. Other items purchased were dishes, aprons, and tablecloths for use on walks and flights. The auction fundraiser allowed us to repay the Matching funds that we had to borrow in 2008 to pay our bills.
