"Did not our hearts burn within us, while he talked with us by the way...?"

February 2010

Snow is a No Go for the Gathering

The winter weather interrupted our plans for the first Gathering of the new decade. Many thanks to Pastor Jerry Beck and Park UMC for agreeing to host us for the January Gathering. We hope to get back there later in the year. The next Gathering (weather permitting) will be at Trinity Hill UMC on Friday, February 5th. At that time the teams for Chrysalis Flight #31 will be introduced to the Community, Flight #31 will be February 13-15th at Asbury Seminary. Team meetings have begun and I can already feel a deep commitment and dedication from the team to the caterpillars that God will bring for us to nurture and help to transform into beautiful butterflies. We will need plenty of support from the Community through prayer, agape, snacks, letters, serving meals and attending Sendoff, Agapeland, Candlelight and Closing.

Don Wright and Libby Kenney are in the midst of building their teams for the Spring Walks. There are still positions that need to be filled, you can contact them through the information found elsewhere in the newsletter. If you haven't been called to serve on a team in a while it may be because your contact information is out of date; please fill out a new 4th day sheet (located on the website: www.lexingtonemmaus.org).

This is a very busy time in the life of the Community and there is so much to be done to get ready for a Flight and two Emmaus Walks. That is why each Board member will be forming a ministry team to partner with us to ensure that we are moving forward and getting all the tasks for the Walks, Gatherings, helping Reunion Groups, and Growing the Kingdom accomplished. Please pray and be responsive to what God would have you do to enrich the community. If you have a passion for a particular area, contact that board member and offer your service. "Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Therefore, as we have opportunity, let us do good to all people".-**Galatians 6:9-10 (NIV)**

I am excited to see what 2010 holds for the Lexington Emmaus Community, I hope you are too!
De Colores, Lay Director Kathy Rosewell

Earl Taylor is sending us a notice that he would love some snack agape for the Chrysalis Flight. You can contact him at Earl.Taylor@atmosenergy.com.

Calling Musicians, Singers and Actors

There are several opportunities for musicians, singers, and actors coming soon. First is Agapeland entertainment for the Chrysalis weekend. If you would like to participate the time is Sunday February 14th at 5:15 pm. We need entertainers, typically participants for the "Introduction" skit and someone to sing a closing (Benediction) song.

Following Agapeland is Candlelight where we need someone to lead music for the community.

The next opportunity is leading music for the March 5th gathering at Centenary UMC.

Saturday March 13th is Agapeland for the Men's Walk and Candlelight follows. And finally (for now) is Saturday March 20th Agapeland and Candlelight for the Women's Walk.

Musicians, singers, and actors are needed for all of these events and if you are interested in serving in some capacity, please contact Doug Sell at dsell@lexmark.com or 859-312-3848 (cell) or 859-296-1038 (home). Don't be shy. You may make it to the big stage after this experience.

Lost & Found, yet unclaimed

A few lost & found items are still unclaimed from the November Men's #105 & Women's #106 Walks.

The following items are available for claiming: (1) A dark blue pullover windbreaker jacket with hood; and (2) A red tee shirt with long grey sleeve inserts. If you are missing these items call Emmaus Facilities Director, John Greene at 859-333-5964 or leave a message. Items can also be claimed at the February 5th Gathering. Unclaimed items will be donated to charity if not claimed by the end of February.

Ever Seen a Flock of Butterflies???

God has really blessed our community with bringing an overflow of young men and women to be caterpillars on Chrysalis Flight 31. We have 27 girls and 21 boys registered. This is the largest flight in at least 10 years. God is moving! There is no room at the Inn! Some of the team is even commuting. Talk previews have been spirit filled and there is anticipation in the air. Flight 30 was extremely well supported by the community, and with nearly twice the number of caterpillars for Flight 31, your support this year is even more coveted by the team. As an Agape Gift to the Community, Tim and Kelly Hamilton will be leading a special communion service at the February Gathering. We will experience "Clown (Mime) Communion", which is the same communion service our caterpillars will experience a week later. This unique service really highlights the transformational power of the blood of Christ, as our Caterpillars are being transformed into beautiful Butterflies

First of all, the cancellation of January's Gathering has created a challenge for the prayer vigil. Please sign up for a slot for the Boys AND the Girls teams at the Gathering. If you can't make the gathering, contact Prayer Coordinators Rita Elder at Teech8269@aol.com for the Girls and Justin Fox at jfoxart@gmail.com for the Boys. Prayer really matters! For you creative people, with such a large group, we'll need lots of Agape gifts. If you are making something gender specific, we'll need 60 pieces. If you're making something for the boys and the girls, 110 pieces. Question: How do you do AGAPELAND for 110? Answer: With lots of servers and entertainers. If you want to serve dinner or be in a skit, please arrive at Wilmore UMC at 5:15 on SUNDAY, Feb. 14. Have you ever felt more love than in Estes Chapel during CANDLELIGHT? Could there possibly be a better date for you and your Valentine than to come and "share the love" with Flight 31? The Community Candlelight Service will start at 8:00 sharp, and the Caterpillars arrive earlier than the adults do on a walk. Want to witness a miracle? How about 48 of them? Come share closing with us at Estes Chapel on MONDAY, February 15th at 4:00. Please come share these important stages in the development of our "Flock of Butterflies". You will be blessed!
