

A Message from the Community Lay Director

In our Community we often talk about accountability. Do you belong to an accountability group (reunion group) or do you have an accountability partner? I want us to take this one step further, are you remaining accountable to those pilgrims you have sponsored?

You see, sponsorship is the first act of agape love for your pilgrim. But it is not just an act of love for that person, it is for God, for the other participants on the Walk, for our Emmaus Community and for each individual church that has a pilgrim on the walk. It is the most important role in the Emmaus community. God passes His love from person to person and as a sponsor you underline that fact by passing on your Emmaus experience to another.

Your aim in sponsorship should not be to get all your friends to go or to fix everyone's problems, but to build up the Body of Christ. Emmaus' purpose is to bring renewal to Christians so that they will go home and bring renewal to their homes, churches, and communities.

Sponsorship does NOT end when the weekend is over. Each sponsor has a continuing role in their pilgrim's 4th days. It is the responsibility of a sponsor to help get pilgrims into an Emmaus Reunion Group. If there is not one near you, consider starting one together. Additionally, sponsors should accompany their pilgrims to the first few monthly gatherings after their walk so they can experience the joy of continued fellowship with the Community of Faith. I hope to see each new pilgrim, with their sponsor, at the next monthly gathering at Trinity Hill.
