*"Did not our hearts burn within us, while he talked with us by the way...?"*

March 2010

### It must be Spring I just saw a flutter of Butterflies go by!

Despite the snow I have to believe its spring because we just launched 47 new butterflies out into the world to spread the light of Christ to all they meet! Sadly Chrysalis Flight #31 is completed, in just 3 short days we saw the transformation from caterpillar, through the chrysalis stage and final emergence as beautiful butterflies ready to become the young men and women God intends them to be. As the Lay director of the Girl's Flight I was blessed to witness this moment by precious moment, and because I was LD I was able to give the Priesthood of All Believers talk.

You have all heard this talk, to summarize, it deals with the fact that we are all called into ministry, laity and clergy alike and that together we form the Church. We are all given certain gifts and talents to help us accomplish the mission to spread the gospel of Jesus Christ to all. I mentioned at our February Gathering the Board members are forming ministry teams to assist them in all the varied aspects of making the Walks work, Gatherings be a time of great fellowship & worship and the Community run. At the April Gathering there will be a ministry fair where you can learn more about the responsibilities of each Board position and ways in which you can be a part of the team!

If you have been to the Reunion group area of the website you will notice that it is "under construction". Reunion groups are a vital part of the Emmaus experience and the lifeblood of the Community. Some groups have been together for years while others form, grow and change. We are attempting to gather the latest information on the Reunion Groups in our community, specifically which groups are open to new members. We will have many from the spring walks looking for a group to join or needing help in forming new groups. Please submit your reunion group information to Martha Hahn [mhahn229@windstream.net](mailto:mhahn229@windstream.net) for the women and Ken Hahn [khahn229@windstream.net](mailto:khahn229@windstream.net) for the men.

Our spring Walks are fast approaching, Men's Walk #107 is March 11-14<sup>th</sup> and Women's Walk #108 is March 18-21<sup>st</sup>. Let's make sure they are well supported by our prayers, agape, food and service. We all need to be more intentional about sponsorship, don't wait until the last minute to ask someone to go on a walk. Start praying and planning now for whom God would have you sponsor in the fall. It is never **too early** to get in registrations; after all it is first come first serve and if we have more than 36 there will be a waitlist.

I pray that during this season of Lent you find time for reflection and renewal so that we all may approach the open tomb with joy in our hearts and a song of praise for the risen Lord on our lips!!

**Clown Communion Ministry Needs You!**

After experiencing the beauty and drama of the clown communion service at the February Gathering or on the Chrysalis weekend, would you like to learn how it's done? Contact Trudy Mills to get your name on the list for training. Give your name, email, phone number and convenient times. You will be contacted when the training is scheduled. You may reach Trudy at [trumills@aol.com](mailto:trumills@aol.com) or (859) 269-7801. Thanks to Kelly and Tim Hamilton for their artistic gift of worship.

**Parking for the Gathering**

For the March Gathering at Centenary, please park on the sanctuary end of the building on the Old Mt. Tabor or Tates Creek Rd. side and enter at one of the Sanctuary entrances. Overflow parking is available on the Centenary side of the Emmanuel Baptist parking lot across Old Mt. Tabor Rd. Our potluck will be held in the narthex just outside of the sanctuary. We will be sharing the building with the Lil' Lambs Consignment Sale. Come early, get a good parking place and shop! The sale closes to the public at 6 P.M. and is followed by the half price sale for the workers

**Musicians, Singers and Actors needed for the Upcoming Walks**

There are still several opportunities for musicians, singers, and actors for the Men' and Wom weekends (March 13 and March 20, respectively). I am in need of additional Agapeland entertainment. If you would like to participate in the "Introduction" skit, provide a "solo" skit, and/ or sing a closing (Benediction) song, please contact Doug Sell at [dsell@lexmark.com](mailto:dsell@lexmark.com) or 859 -312-3848 (cell) or 859-29601938 (home). Don't be shy. Those who participated in the Chrysalis weekend activities had a blast!

In addition, please let me know if you would be willing/interested in leading or assisting with the music at one of our monthly gatherings. Thanks.

## 2009 Financial Summary

Each year the Treasurer reports to the Community a summary of the finances for the previous year. Below are the results from 2009.

Expenses and income frequently cross fiscal year boundaries. The "other" expense category in the table below includes some expenses from 2008, which were not paid until 2009. This category also includes miscellaneous income and expenditures, which are not covered in the other categories. To give the Community a true idea of the financial status for each set of Walks/Flights for 2009, this detail follows the 2009 Income/Expense Summary. This includes income and expenses for each Walk no matter when they hit the books.

Income for the walks and flight in 2009 was about \$546 more than expenditures. In 2008, expenditures were almost \$3,250 more than income for comparison. Rising walk fees and Chrysalis fees in 2009 resulted in the Community essentially breaking even on the walks and flight. That is the goal of the Board. We continually monitor expenses of the Walks and Flights and try to keep them as low as possible. Sending the Newsletter by E-mail cut expenses, from about \$4600 in 2008 to \$600 in 2009. Administration expenses for the Community averaged approximately \$400 per month during 2009. The primary avenues for meeting these costs are the offerings at Gatherings and Candlelights. The Funds category listed below includes the Growing the Kingdom fund, also referred to as the Matching Fund. The auction fundraiser allowed us to repay the Matching funds that we had to borrow in 2008 to pay our bills.

### Ladies Recap!

Wow! Chrysalis #31 was a great weekend of good food, fun and friendship, but most importantly a truly awesome time to retreat with our wonderful God. The talks led to many good discussions and questions that the girls were able to express. The weather posed a few challenges but none that we could not overcome. The girls were very upbeat and eager to learn and grow. It was amazing watching the transformation over the weekend. The 3 days were filled with LOVE, agape love. During closing the girl expressed that they felt so loved! God as always, is amazing! The girls had a weekend filled with God's unending love! I pray that they may always fly with Christ!

### And Gents Recap!

The weather outside was frightful, but the spirit was SO delightful! While it was snowing outside, the boys of Chrysalis 31 were fired up by the spirit inside. As our theme song says, "Let the Glory of the Lord, Rise Among Us". Everything about this flight was about glorifying God and being lifted by His Spirit. As a result of a lot of preparation and hard work by the team, and a lot of faithful gifts of agape love and the ministry of presence by the community, 21 young men have spread their wings and are flying with Christ in their many colors. I can't begin to tell you what a blessing these young men have been to me, particularly as I see the many facebook posts of how they are interacting after the flight. As I reflect on that magical 3 days, I thank all of the faithful who allowed themselves to be mightily used by God. We all bow down to a faithful God who always "Rises Among Us". He transforms our imperfect efforts into something far more beautiful and powerful than our limited minds could possibly hope for. God is good, all the time! As our Flight (and Community) SD, Ken, would say... Get it – Got it – Good!
